

## Parallel Sessions Programme (02/03/2011)

**April 14, 11:00-12:45**

### Parallel Session I.

#### **Room 1. Capacity building**

**The contribution of capacity-building for healthy public policy for improved health equity**

*Simpson, Sarah; Mahoney, Mary; Cave, Ben.*

**Developing best practices. A proposal for a field-based and validated approach to HIA training**

*Linzalone, Nunzia; Zacchi, Giocanna; Cordioli, Michele et al.*

**Perception of public health and health planning professionals about utilities and applicability of the HIA**

*Sanz, Elvira; Aldasoro, Elena; Esnaola, Santiago et al.*

**Whose bed? Real time HIA capacity building**

*Dreaves, Hilary; Pennington, Andy; Perkins, Clare.*

#### **Room 2. Healthy urban planning**

**The Liverpool Core strategy. Is it bad for your health?**

*Grinnell, Sophie.*

**Virtual Planning To Boldly Go**

*Currie, Etime; Mitchell, Tim.*

**Embedding HIA into town planning**

*Pennington, Andy.*

**HIA to Revitalize Post-Industrial Communities**

*Marcus, Michelle; J; Ross Catherine L.*

**HIA of the North West Cross Border Community Allotment/Gardens Project**

*Higgins, Claire.*

**HIA of an urban regeneration project in Alcalá de Guadaíra: a pilot experience in Andalusia**

*Venegas, Jesus; Artundo, Carlos; Bolivar, Julia et al.*

### **Room 3. Institutionalization and healthy public policies**

#### **Use of Health Impact Assessment at National Policy Level in England**

*Vohra, Salim; Ball, Judith; Amo-Danso, Gifty.*

#### **Health Impact Assessment and Institutionalisation: The Slovak Experience**

*O'Mullane, Monica.*

#### **Legal implementation of HIA**

*Gabriel, Gulis; Johnsdatter, Kraemer; Stella Rebecca.*

#### **Institutionalizing HIA in Sweden**

*Knutsson, Ida; Linell, Anita.*

#### **Implementation and Institutionalization of HIA in a Federalist Country: Opportunities and Challenges for Switzerland**

*Cantoreggi, Nicola; Simos, Jean; Litzistorf, Natacha et al.*

#### **Strategic approaches of HIA implementation in Korea**

*Kang, Eunjeong; Autonell, Marta; Colom F, Antoni et al.*

### **Room 4. Impact evaluation approaches**

#### **Health Impact Assessment implementation: different models, different results? (A review of literature)**

*Gonzalez, Angelina; Cabezas, Carmen; de Lara, Nuria et al.*

#### **Health authorities and SEA in WHO European Region**

*Nowacki, Julia; Martuzzi, Marco; Fehr, Rainer.*

#### **Reconciling agendas: using integrated impact assessment to improve policy making**

*Douglas, Margaret J; Palmer, Susie; Pringle, Alastair et al.*

#### **The health impact of climate change in Europe: a social analysis**

*Shepherd, Michael.*

#### **Health Impact Assessment: A Comparison of 38 Local, National, and International Guidelines**

*Dannenberg, Andrew L; Hebert, Katherine A; Wendel, Arthur M et al.*

**April 14th, 15:00-16:45**

**Parallel Session II.**

**Room 1. Community participation**

**We Are no different from those In affluent areas: we just swim in a rougher part of the Rivera**

*Currie, Etive; Mitchell, Tim.*

**Using an HIA to highlight nutrition and economic development in Farm to School legislation**

*Rader, Mel, Stephen; Henderson, Tia.*

**One that got away: Barriers to effective public engagement in HIA**

*Chadderton, Chloe; Shepherd, Mike; Hacking, Nick.*

**Techniques for engaging with local residents and tapping into local knowledge in the HIA process**

*Chilaka, Marcus.*

**Local Voices: The potential for HIA in raising the bar on public participation.**

*Shepherd, Michael A; Chadderton, Chloe.*

**Room 2. HIA and health care**

**Comparing chronic care management in regional health systems**

*Putrick, Polina; Sauto Arce, Regina.*

**Health Impact Assessment and Digital Health Service**

*Ghani, Irfan; Wright, Sue; Parry, Jayne.*

**The first trial of Health Impact Assessment on the management reform of a public hospital**

*Hoshiko, Michiko; Hara, Kunio; Ishitake, Tatsuya.*

**Integrated Health Care Centres: synergies and limitations from a health impact assessment perspective**

*Chilaka, Marcus; Burgess-Allen, Jilla.*

**The impact of economic recession on municipal expenditure on public health in Denmark**

*Bronnum-Hansen, Henrik; Thygesen, Lau C.*

### **Room 3. Healthy transport policies**

#### **A comprehensive health impact assessment framework for traffic in Flanders and Brussels**

*Dhond, Stijn; Macharis, Cathy; Putman, Koen.*

#### **e-Walkability GIS Health, a integrated tool for Health Impact Assessment**

*Ricci, I ; Artigues, G ; Ramon, J et al.*

#### **Quantitative HIA of commuting: Changes in burden of disease due to increased commuting by bicycle**

*Holm, Astrid, Ledgaard.*

#### **Health Impact Assessment of Transportation Policies in the Eugene Climate and Energy Action Plan**

*Guenin, Heidi; Perdue, Leslie; Rader, Mel.*

#### **Bicing in barcelona, spain; a description and estimated health impacts**

*Rojas-Rueda, David; de Nazelle, Audrey; Nieuwenhuijsen, Mark.*

#### **Reducing vehicle miles travelled: impact on physical activity, air pollution, and car collisions**

*Michael, Yvonne; Perdue, Lesli; Livingston, Cat et al.*

### **Room 4. Methods for HIA**

*Chair. Andy Pennington.*

#### **Using an HIA approach to develop indicators for regeneration and health**

*Ison, Erica.*

#### **How to analyse housing and regeneration designs from a HIA perspective**

*Vohra, Salim; Kurth, Judy; Iqbal, Zafar et al.*

#### **Simulating changes in the retail food environment, health and economic outcomes, using sensitivity analysis**

*van Meijgaard, Jeroen.*

#### **Comprehensive modelling to assess the health impacts of proposed policies and programs**

*van Meijgaard, Jeroen.*

#### **Full chain risk assessment of policies: a top-down approach case study.**

*Majdan, Marek; Marcinkova, Daniela; Klochanova, Zuzana et al.*

#### **Bottom-up risk assessment - from health outcomes to policy. A case of asthma in Slovakia.**

*Kallayova ,Daniela; Majdan, Marek; Bosak, Lubos; Monica O'Moullane, et al.*

**April 15th, 11:00-12:45**

**Parallel Session III.**

**Room 1. Screening for HIA/Rapid HIA tools**

**Homing for Health**

*Grinnell, Sophie; Boyle, Tony.*

**Keeping your eye on the ball...**

*Grinnell, Sophie; Price, Chris.*

**The issue of relevance in HIA**

*Johnsdatter, Kraemer; Stella, Rebeccar; Gulis, Gabriel et al.*

**HIA : A mainstreaming tool for local community and industry to achieve the well-being goal and sustainable growth**

*Yanyong, Inmuong.*

**Criteria for the selection non-health policies, programs and projects to which undergo HIA in Catalonia**

*Mompart, Anna; Brugulat, Pilar; Martinez, Vicens et al.*

**Screening process and results of regional-level policies in the Basque Country (Spain)**

*Bacigalupe, Amaia; Aldasoro, Elena; Sanz, Elvira et al.*

**Room 2. Health equity**

**Social vulnerability in pregnant women from a municipality of Santiago de Chile's metropolitan region**

*Arcos, Estela; Muñoz, Luz Angelica; Sanchez, Ximena et al.*

**Using HIA to improve the equity dimension of health and social service policy**

*Higgins, Claire; McMaster, Christine; Ison, Erica.*

**Health Equity Impact Assessment: What is it? Do we need it?**

*Scott-Samuel, Alex; Povall, Susan; Haigh, Fiona et al.*

**Global crises, equity and HIA**

*Wise, Marilyn, J.*

**Health in the neighbourhoods: Identification of health needs based on social determinants**

*Gonzalez, Angelina; Cabezas, Carmen; Brugulat, Pilar et al.*

**Development of an HIA methodology for the Mongolian mining sector**

*Janes, Craig, R; Sodnompil, Ts; Oyun, Lkhagvasuren et al.*

### **Room 3. HIA and policy-making**

#### **Health Impact Assessment - Advocacy or Impartiality**

*Kemm, John.*

#### **HIA across Ireland: a ten year tale**

*Metcalfe, Owen; Higgins, Claire.*

#### **Exploring how HIA has impacted policies, programs, and the decision-making process in the U.S.**

*Pollack, Keshia.*

#### **Development and implementation of HIA recommendations**

*Cori, Liliana; Bianchi, Fabrizio; Ballarini, Adele.*

#### **What's in a name? When a health assessment is not an HIA**

*Douglas, Margaret J; Higgins, M.*

#### **Process of the Health impact assessment implementation in the Slovak republic**

*Klochanova, Zuzana; Halzlova, Katarina.*

### **Room 4. Quantitative evaluation of impacts**

#### **Quantification of selected health impacts of the North Rhine-Westphalian housing subsidy programme (Wohnraumförderungs programm) 2010**

*Mekel, Odile C L; Sierig, Sarah; Fehr, Rainer.*

#### **Environmental Burden of Disease in Europe (EBoDE): Assessing Health Impacts of Lead in Six Countries**

*Conrad, Andre; Pruess-Uestuen, Annette; Haenninen, Otto et al.*

#### **Introducing comparative environmental health risk assessment and contributing to HIA methodology: The German VegAS project**

*Classen, Thomas; Steckling, Nadine; Mekel, Odile et al.*

#### **Quantitative risk assessment integrated in the HIA of the anti-smoking policy proposal in Hungary**

*Balázs, Adam; Agnes, Molnár; Roza, Adany.*

#### **Health impacts of increasing the EU-wide excise duty on alcohol: A dynamic projection**

*Lhachimi, Stefan K; Cole, K; McKee, M; Wilma Nusselder et al.*

#### **Dioxin - a Challenge for Burden of Disease Estimation: Results of the EBoDE Project**

*Rappolder, Marianne; Conrad, André; Hänninen Otto et al.*

## **Room 5. HIA and HiAP**

### **From health impact assessment to a governmental policy for health and well-being in Quebec**

*Poirier, Alain; Jobin, Lyne.*

### **Embedding HIA to promote HiAP in Canterbury, New Zealand**

*Bourn, Alison; Stevenson, Anna.*

### **HIA and HIAP tools in the Netherlands: fitting the jigsaw together**

*Den Broeder, Lea; Van Alphen, Theo; Walg, Chantal et al.*

### **HIA as a knowledge exchange tool in the policy arena: a conceptual framework**

*Mendell, Anika; St-Pierre, Louise; Morestin Florence et al.*

### **Instruments facilitating Health in All Policies**

*ten Dam, Joop; Bakker, Ingrid; Linger, Roger.*
